Frequently Asked Questions relating to Open-ended Fund Companies

This FAQ is prepared by the Investment Products Division and aims to provide basic information to market practitioners in respect of open-ended fund companies (“OFCs”), which are subject to the Securities and Futures Ordinance (the “SFO”), the Securities and Futures (Open-ended Fund Companies) Rules (“OFC Rules”) and the Code on Open-ended Fund Companies (the “OFC Code”) (collectively, the “OFC-related Laws and Regulations”).

An applicant which seeks to establish a public OFC (as defined in the OFC Code) must also comply with all applicable requirements in the SFC Handbook for Unit Trusts and Mutual Funds, Investment-Linked Assurance Schemes and Unlisted Structured Investment Products (“SFC Products Handbook”) including the Code on Unit Trusts and Mutual Funds (“UT Code”) for authorization by the Securities and Futures Commission (“SFC”). A public OFC and publicly offered sub-funds of an OFC must also comply with all applicable requirements in the SFC Products Handbook after registration.

3.	Do I have to make separate applications for registration and authorization of a public OFC?	The application documents required for registration and authorization of a proposed public OFC are expected to be submitted together to the SFC at the same time. The SFC will process the registration and authorization of a public OFC in tandem. To streamline the application process, the Application Form² for registration of a public OFC is set out in the Annex to the “Application Form for Unit Trusts and Mutual Funds, Investment-Linked Assurance Schemes and Unlisted Structured Investment Products”. Similarly, the Information Checklist³ for the registration of a public OFC is set out in the Schedule to the “Information Checklist for Application for Authorization of Unit Trusts and Mutual Funds”.

4.	What are the fees payable for establishing an OFC?	<u>Fees payable to the SFC for registration of an OFC</u>

	Question	Answer
		For (i) fees for incorporation of an OFC; and (ii) fees for a business registration certificate (which vary depending on whether it is a one-year or three-year certificate), please refer to the websites of the CR and the IRD, which set out the current amount of fees for incorporation and business registration fees respectively and updates as to any fee waivers that may be applicable from time to time. Separate payments shall be made for the fees payable to the SFC (by way of cheque(s), or other means of payment acceptable to the SFC) and to the CR (by way of cheque(s)).
5.	What is the expected processing time for registration of a public OFC and private OFC?	As the SFC will process the registration and authorization of a public OFC in tandem, the processing time for registration of a proposed public OFC is expected to be the same as that for other public funds, generally ranging between one and three months from the take-up date of the application depending on whether it is a standard or “non-standard” application (please refer to the FAQs on Application for Authorization). For private OFCs, where the documents are in order and the registration requirements are met, a registration would be granted as soon as practicable and is generally expected to take less than one month after the application is taken up by the SFC.
6.	Is there any template instrument of incorporation (“lol”)? Must the template be adopted by an OFC? Can revisions be made when adopting the template?	The templates of the lol for public OFCs and private OFCs respectively are available on the SFC website. The templates set out the baseline contents of an lol generally expected of an OFC. OFCs are free to include other provisions in their individual lols and make relevant variations as appropriate, provided that such additions and variations would not result in non-compliance with the OFC-related Laws and Regulations (e.g. the lol must contain the provisions mandated under section 112K of the SFO). In the case of a public OFC, the requirements in the SFC Products Handbook must also be complied with.
